PHOTO AD TIPS

Some tips to make sure your photo ad gets noticed!

- Try to send in a clear, sharp, high contrast photo ... with no shadows. Computer printed photos or zeroxed copies do not reproduce very well.
- Use a plain background to photograph your vehicle. A non-cluttered background shows off your car the best.
- Only submit one vehicle on this form! Copy or print more forms at www.cruisinnews.com
- Please print or type your ad. Give a brief description and price.
- Photo ads can feature cars, trucks, buses, boats, bicycles, parts ... keep in mind that this paper serves the collector car and hot rod community of Northern California.

• Please enclose your check or money order ... we do not accept credit cards.
